PRB folks:

A paperback version of George Tenet's memoir will be published later this year. Other than fixing a few typos, misspellings, and wrong dates, etc...the text will remain as previously approved.

HarperCollins has asked him to add a "Post Script" that will be appended at the back of the book. The text of that section is attached to this email.

(b)(5)

We would appreciate your prompt clearance of the attachment.

Bill Harlow
